CAMPING:

Available in the pits both nights. Please take your own rubbish away. Otherwise Awakeri Hot Pools, Thornton Motor camp and Whakatane itself is less than 10 minutes up the road. Motorhome/self contained camping available outside the cosi club on prize giving night.

The Rally site is easy to find, turn onto White pine bush Road and follow your nose. There are only three roads off of it, one being Downard road, (so we are sure you will find it eventually). It is only about 500m up Downward Rd.

The land we have secured is a working farm so please respect it, we apologize for any presents left on the ground from the cows. We would clean them up, but that would be a crappy job.
